I will be having a show at Bella for the month of September and the opening is Sept. 19th 5-8. My husband and I traveled through out Europe this summer and I painted some scenes from that and other trips we have taken. I hope you all can stop by. The show is called "Far Away Places". Ive been very busy preparing for this and now that I'm done, I hope to get back to the group.

PLAG Informal Meeting

August 10, 2019

As Jim Sawatzski, President, was the only officer present at the meeting, no votes were taken. The 10 other members in attendance discussed and decided to participate in the following activity designed by Jim and the members of the Gallery Committee to take the place of the fall Craft Show. Jim reported:

“We discussed and decided to have my replacement version of craft fair, now called an Art Fair, on Saturday October 5 from 9-5pm. Set up Friday before from noon to 3pm. Eight members attending secured their spots for exhibit. There are 6 spots left, which will be first come first served. This event will be totally explained in September meeting. Afterward some of us met for luncheon at local Depot restaurant.”

Jim's outline of the plan is as follows:

“I believe we should still have our 46th annual event on the first Saturday of October. We will replace the craft fair with our own membership art fair at the town hall, a one day event.

There will be some art demos going on with some art movies 🎬 sequestered up on the curtained stage. Members only can offer their art for sale (smaller pieces) and will donate 10% of sales to our scholarships fund. There is no entry fee.

Each artist collects their own 💰.

There will be refreshments throughout, furnished by members.

So the hall will have our normal buyers from our 40 years of repeating sales and we'll attract a newer audience while doing some PR, and offering a PLAG outreach event for our Tri-Lakes community."

In addition, the group discussed providing artwork for display in the Monument Library. Several artists volunteered to show their work.
