A Word From The President

Wow...where do I begin? I'm writing this note with so much uncertainty in this ever changing world. I think all I really know is how incredible the human spirit is! None of us know what each day will hold but, we certainly know we get to shape our own small areas a bit. We are somewhat forced to explore our inner beings a bit more. I have found so many people are reaching out in so many different ways to each other. We are not going to reach out for the April meeting but, we will be having our May meeting. It may be in person or it will be a "zoom " meeting. The PLAG board actually just had our first "zoom" board meeting. We were giddy that we all figured out how to do it. (none of us are techy!) We also talked about having our Color Splash show, whether it be in person or a virtual show. So many opportunities to try and figure out this new world we are working in. If you have any thoughts or ideas, please...please....please, share them with one of us. I hope you are working on your "Conquering the Quarantine" project, which will be judged at the May meeting. If you hadn't already started your Color Splash entries....today is a great day to get started. I look forward to seeing you all very soon!

Color Splash 2020

"The Show Must Go On, On With The Show"

Fellow Artists, Due to the coronavirus there are still a few unknowns regarding timing of the Color Splash Show. The board met on Zoom (phone conference) and we came up with an idea in case we can't physically have the show.

How about a virtual show? We could reach so many more people this way, you would still get to show your work for sale and you wouldn't have to leave your home. Lots of logistics to figure out but we are determined! We would love your feedback, and or any other ideas.

Like I said, we don't know what's going to happen by May but we need to have plan B ready!! I hope you're all staying out of trouble and remaining healthy.

Sincerely,

Bonnie Sands, VP and Color Splash Chair.

Please send feedback, questions and or ideas to me, asap.

The previous Rampart HS Staff Appreciation Luncheon event is postponed indefinitely at this point.

Also, I wanted to let you know that I was exposed to Covid 19 (by someone with no symptoms thru my office job) the Friday before last. My oldest son Felix Trey also has it. Thankfully my husband and other 2 sons have not come down with symptoms. We have been able to rest at home and not need medical treatment. We are recovering well now, and we will be in home quarantine at the end of next week. It's miserable - 80% of people who get it will have mild to moderate symptoms. Thankfully we are in that category.

Love to everyone- Hope you all stay safe & well.
